**UNDER £25 Ruff Wear Roamer Hands-Free Bungee Cord Lead** Canine Spirit. This lead gives your dog freedom to roam for up to 11ft without a length dragging on the ground. The adjustable handle can be held, clipped to your waist or secured around a post; a second handle allows tight control. **Scoobie Laserchase** Pet Planet. The low-intensity laser beam appeals to cats' hunting instincts. It comes attached to a keyring. **The Furminator** from £25, Pet Planet (not pictured). A new grooming device for cats and dogs that removes the loose undercoat while leaving the top coat untouched; the manufacturer claims it reduces shedding by up to 90 per cent. **UNDER £50 Ceramic cat bowl** 15cm across, Mungo & Maud. Your cat will enjoy eating from it and you'll enjoy looking at it. Dishwasher safe. **Merino wool dog jumper** Mungo & Maud. High-quality snugness with a touch of style. **SKY'S THE LIMIT Biorb Life Collection aquariums** Seapets. Ideal starter kits. Made from strong clear acrylic, the tanks have a built-in filtration system to ensure the water is cleaner and healthier for longer. The LED lighting system replicates sunrise, sunset and blue moonlight. **River Swale pet stairs** Bear & Boosie. Claiming to be 'practical stairs' as well as an 'eye-catching work of art', this extravagance allows your pooch to make his own way on to your bed rather than being lifted. **Pirates of the Caribbean dog collars** Holly & Lil. Collars with Swarovski crystals and pearls are also available, but if your dog is more of a goth, it will no doubt prefer the skull and crossbones charms. **Stockists, p101**
